**Prince Ching Calls on Spanish
Minister—Edict Announc-

(BY THE NEW ASSOCIATED PRESS—P. M.)
PEKING, Dec. 30.—(By Asiatic
Cable.) The Chinese plenipotentiaries have been unex-
pectedly ordered to sign the preliminary joint note, and have notified
the foreign envoys to that effect.

SURPRISED THE ENVOYS.
BY THE NEW ASSOCIATED PRESS—P. M.
PEKING, Dec. 30.—The Chinese
themselves were greatly astonished at receiving the imperial instructions.
Neither Li Hung Chang nor
Prince Ching had expected success
in persuading the court under ten
days. The Emperor's instructions
are to agree fully to the note, but
to endeavor to get the best terms
possible, particularly in the matter
of limiting the number of legation
guards and also as to the places
where these are to be located.

The plenipotentiaries are in-
structed to endeavor to limit the
number of army posts along the
line of railway to as few as possi-
ble, and finally to request the pow-
ers not to destroy the forts, but
merely to disarm them.

Li Hung Chang's health is bad,
and it is doubtful whether he will
be able to do more than to affix his
signature to an instrument delegat-
ing his powers to Prince Ching
until another plenipotentiary has
been appointed. He was dressed
this morning and carried in a chair
to the residence of Prince Ching,
with whom he held a long confer-
ence.

Prince Ching then called upon the
dozen of the diplomatic corps, the
Spanish Minister, Senior de Colo-
gan, and requested him to notify
the other envoys that instructions
had been received from the Em-
peror to sign the note.

IMPERIAL EDICT ISSUED.

PARIS, Dec. 30.—The Havas news
agency has received the following
dispatch from Peking: "Prince
Ching and Li Hung Chang have

voys an imperial edict, in which the

cepts the joint note and authorizes

WILL RETURN TO PEKING.
BY THE NEW ASSOCIATED PRESS—P. M.
PARIS, Dec. 31.—Prince Ching
and Li Hung Chang, according to
another dispatch to the Havas
agency, say that Emperor Kwang
Hsu has expressed a desire that the
court should return to Peking at
the end of February.

WASHINGTON SATISFACTION.
DELAY HAD BEEN EXPECTED.
BY THE NEW ASSOCIATED PRESS—P. M.
WASHINGTON, Dec. 30.—The report
that the Chinese plenipotentiaries
had been ordered to sign the note is
a source of satisfaction to officials here,
as indicating a disposition on the part
of the Chinese government to heel the
desire of the powers that negotiations
shall be entered on at once, and the
present unsatisfactory condition of af-
fairs terminated.

The Emperor, it was expected, would
instruct his agents to obtain the best
terms possible. One of the principal
objections said to have been made by
the Chinese to the location of any
great number of legation guards in Pe-
king, is that these guards would be a
menace to the existing Chinese gov-
ernment. As had been said, the state
in these dispatches, the United States
government does not desire the abso-
lute demolition of the Taku forts, but
simply their dismantlement, so that
ready access to the Chinese capital of
Peking should not be prevented.

The demand of the powers in the note,
however, was for the destruction of the
forts.
The inquiries said to have been made
by the Chinese government of the en-
voys, of which inquiries, however, no
official intimation has been received
from Mr. Conger, have been regarded
by the officials of this government as
reasonable, and because of this more
delay than has occurred was expected
in the court's direction for the signa-
ture of the note. Nothing has come
from Mr. Conger regarding the status
of the note since a cablegram from
him some days ago, announcing that
it had been presented to the Chinese.

The Mines in Which the Emperor and
Leigh Hunt Are Partners Are Paying
Big Profits—French Gunboats Enforce
Payment of Indemnity from Chinese.

(BY DIRECT WIRE TO THE TIMES)
TACOMA (Wash.), Dec. 30.—[Exclu-
sive Dispatch.] The steamer Glenur-
ter brings news from Yokohama that
an anti-foreign outbreak is imminent in
Korea. Anti-Christian riots have oc-
curred at Pyongyang, where native
converts were stoned. A number of
American missionaries are at work in
that district. The American Minister
at Seoul has demanded that they be
adequately protected, and soldiers have
been sent to quell any disturbance.

It has become known at Seoul that
the Emperor of Korea is a large share-
holder in gold mines at Usang, con-
trolled by Leigh Hunt, formerly of Se-
attle. These mines have been given
to the imperial household in return
for concessions. The Emperor
should be employed exclusively in the
mines, with the exception of engineers
and superintendents. The mines are
now paying big profits. An effort is
being made to ascertain if the Em-
peror is to be allowed to continue his
mining.

CAPTURED BY BOERS.

**British Lose Post
at Helvetia.**

**Fifty English Killed
and Wounded.**

**Two Hundred Prisoners Taken
by the Burghers.**

**Col. Kitchener Following in the
Tracks of Enemy—Wide
Field of Activity.**

(BY THE NEW ASSOCIATED PRESS—P. M.)
LONDON, Dec. 31.—[By Atlantic
Cable.] The War Office has re-
ceived the following dispatch from
Lord Kitchener.

"PRETORIA, Dec. 30, 7 p. m.—Gen.
Littleton reports that our post at
Helvetia was captured yesterday morn-
ing by the Boers. About fifty were
killed and wounded, and 200 taken
prisoners."

"Col. Kitchener reports that he is
following with a small force in the
track of the enemy, Helvetia being
reoccupied by Reeves, who has been
reinforced from Belfast."

"Helvetia was a very strong position
on the Machadodorp-Lydenburg
railway, and was held by a detach-
ment of the Liverpool regiment. Am
asking for further information."

WIDE FIELD OF ACTIVITY.
BY THE NEW ASSOCIATED PRESS—P. M.
LONDON, Dec. 31.—While Lord
Kitchener sends bad news for Eng-
land on the closing day of the year,
the press continues to take a surpri-
singly hopeful view of a grave situa-
tion and of revelations of an enor-
mously wide field of Boer activity.

Gen. Dewet is still at large. Kimberley
is isolated. The Boers are in force
enough to have captured a strong po-
sition at Helvetia, in the Lydenburg
district, while judging from Lord
Kitchener's very recent advice, no
progress is being made against the
Boer invaders in Cape Colony. Ac-
cording to further telegraphic advice
received yesterday, Zeeuwt is prac-
tically besieged, but has provisions suf-
ficient for five months. The garrison
of Otterloo has been withdrawn to
Lichtenburg.

A dispatch from Carnarvon, dated
yesterday, reports that the Boers who
have been threatening that point were
driven off and are being pursued.
"It is evident," says a related mes-
sage from Kruger'sdorp, dated Decem-
ber 23, "that the Boer commander in
the direction of the Magaliesburg
is well supplied, and until the country
between here and the Magaliesburg
is properly cleared of Boers, they will
continue to concentrate there, the
ground being particularly adapted to
their methods of warfare."

The Boers admit that in their fight
with Gen. Clements at Noolgedacht
they lost 130 men.

"It is understood that Lord Kitch-
ener cannot ask the colonies officially
to send troops," says a Durban dis-
patch, a correspondent at Burghers-
dorp, wiring Saturday, reports as fol-
lows:

"Two fresh commandoes are enter-
ing the colony. One has already
crossed near Knapdaar, and the ar-
rival of another is momentarily ex-
pected in the Steynsburg district. The
Boers are said to have two or three
hundred each, though in bad condition.
They have no guns or transport, but
are well supplied with Lee-Enfield
rifles and ammunition. Captured
Boers say that the intention of these
commandoes is to roam about and
wait until Dewet appears on the
scene."

All dispatches arriving in London
agree that the Cape Dutch show no
inclination to rise, but on the con-
trary, appear to be tired of the war
and desirous of peace. Many refuse
to supply the Boers with food, and
are willing to give information to the
British regarding the Boer move-
ments.

Details of the Greylingstad affair
show that while Colville's column was
pursuing the Boers, a second force of
400 of the enemy was seen moving
toward the camp, where the British
transport was in jeopardy. The small
British force made a plucky stand.
Reinforcements arrived with artillery,
and after a severe fight, the Boers
were defeated. The British losses al-
together were 9 killed and 63 wounded
and missing. The Boers are said to
have had 31 killed.

Lord Kitchener, wiring from Pretoria
Saturday, December 29, says:
"There is not much change in the
situation in Cape Colony. The eastern
force of the enemy appears to have
broken up in small parties at Utrecht
and to be moving about rapidly in
the same district, evidently waiting
for support from the north."

The last report states that the
western force is moving to Carnarvon.
De Laet and Thornycroft are in close
pursuit.

"French has occupied Venterdorp.
Clements reports that he is opposed on
the road to Rustenburg. The eastern
line was blown up near Pan, and a

train was held up this morning on
the Standerton line.
"Gen. Knox's column and Boy's
brigade are holding Dewet from
breaking south."

THEY ARE NEEDED.
BY THE NEW ASSOCIATED PRESS—P. M.
LONDON, Dec. 31.—Commenting upon
the Helvetia disaster, the Daily Mail
calls upon the government to send out
at least 50,000 additional mounted men.

ARREST FOR SEDITION.
BY THE NEW ASSOCIATED PRESS—P. M.
LONDON, Dec. 31.—A warrant has
been issued against Dr. Tewater, a
member of the late Schreiner Cabinet,
and he is under arrest on a charge of
delivering a seditious speech at Graaf
Reinet, inciting to rebellion, in con-
nection with the recent Boer invasion
of the colonies.

"This," says the Cape Town corre-
spondent of the Daily Telegraph, "is
the commencement of a series of ar-
rests heralding a wide extension of
martial law."

"BOBS" ROYAL WELCOME.
ENGLAND READY TO ENTREESE.
BY DIRECT WIRE TO THE TIMES.

LONDON, Dec. 30.—[Exclusive Dis-
patch.] Arrangements for the reception
of Commander-in-Chief Roberts have
been completed by the court and War
Office, and will be a stately affair. Roy-
ally will offer its first welcome at Os-
borne, and will conduct him from Pad-
dington to Buckingham Palace through
streets lined by 15,000 troops. No for-
eign sovereign could be received with
greater distinction than the veteran of
Cabal and Kandahar.

Roberts will be brought from Solent
to Buckingham Palace in greater state
than either Marlborough, after Blen-
heim, or Wellington, after Waterloo.
It is expected that Roberts will settle
down at once to work at headquarters,
and push the war in South Africa to
completion.

SYMPATHY FOR COLVILLE.
BY THE NEW ASSOCIATED PRESS—P. M.
LONDON, Dec. 31.—To elaborate
statement given to the press Saturday
by Maj.-Gen. Henry Colville, whose
resignation has been demanded by the
war office, but who has refused to re-
sign, and has demanded a trial by
court-martial to establish the responsi-
bility for the Yeomany disaster at
Lindley last May, excites considerable
sympathy and a tendency to make
further attacks upon the War Office.
It is generally conceded that Colville
has been harshly treated, but as his
statement is ex parte, the papers with-
hold final judgment.

PIN IN THE FROG.
Train Wrecked East of Henderson,
Ky., and Five Persons Seriously In-
jured—Probably Wreckers' Work.

(BY THE NEW ASSOCIATED PRESS—P. M.)
HENDERSON (Ky.), Dec. 30.—A
train on the Henderson road was
wrecked two miles east of this city
this afternoon, and five persons were
seriously injured.
William S. Holloway of Henderson
had an arm broken and was badly
bruised; John Mason of Henderson was
injured internally, and is in a serious
condition, and Cyrus Scott of Madison-
ville suffered a broken leg. Two others
whose names could not be learned were
seriously injured.

A coupling pin placed in the switch-
frog, apparently by wreckers, caused
the wreck.

**ALGER'S WORD

**Gen. Miles Says False
Statements Were Made
By the Former.**

(BY DIRECT WIRE TO THE TIMES)
WASHINGTON, Dec. 30.—
[Exclusive Dispatch.] Gen.
Miles says former Secretary of
War Russell A. Alger made
false assertions in the article
about embalmed beef which
was recently published. The
commander of the army today
returned from South Carolina,
where he has been on a hunt-
ing trip. He said he had not
read the Alger article, but he
talked like a man who was
quite familiar with all it con-
tained.

"Gen. Alger says," he was
told, "that you knew two or
three months in advance that
canned beef was being sent to
our soldiers."

"There are many false state-
ments in that article," an-
swered Miles. "Many things
are not yet known which may
be made public when I reply,
if I decide to do so. But, as I
say, the people of the nation
know a good deal about the
kind of beef our men had to
eat during that war. There
has been much published, and
there have been witnesses
and a thorough investigation
made, and the country formed
an opinion long ago."

"One hundred thousand sol-
diers have gone home from
the Spanish war and told the
same story, and the proper
officers have condemned the
action of certain persons,"
said Gen. Miles, "so that I
question whether it is neces-
sary to say anything further
about the controversy."

(BY THE NEW ASSOCIATED PRESS—P. M.)
ABBEVILLE (S. C.), Dec. 30.—
Sheriff Kennedy of this county,
William Kille of Massachusetts,
who has been superintending the
building of a cotton mill here, and
Capt. Dansby, a United States Mar-
shal, are dead, the result of a shoot-
ing over a game of cards.

Several persons were playing cards
last night when Dansby threw \$1 on
the table, and said:
"I play for this."

The men at the table refused to let
Dansby into the game, and an alterca-
tion ensued. Dansby finally drew a
pistol and shot Kille in the stomach.
He then backed out of the room, de-
claring he would shoot any one who
attempted to stop him. He was fol-
lowed by two policemen, but said them
at bay until Sheriff Kennedy and a
number of citizens arrived.

Dansby fled to the house of his
father-in-law, where Kennedy called
him to surrender. Dansby came out
with the remark: "We will all go to
hell together," and commenced firing.
Dansby was shot twice in the leg and
once in the chest, and the Sheriff was
struck near the heart and fell.

Dansby walked fifty steps and was
reloading his pistol, when he was shot
again by the dying Sheriff. Dansby
and the Sheriff died within a few
minutes of each other.

YANBUILL ECONOMY.
Reuben Cyril Hill Thompson of Oregon
Lives on Fifteen Cents' Worth
of Bread and Potatoes a Day.

(BY DIRECT WIRE TO THE TIMES)
CAMBRIDGE (Mass.), Dec. 30.—
[Exclusive Dispatch.] Reuben Cyril
Hill Thompson of Albany, Or., a gradu-
ate of McMinnville College, in that
State and now a senior in Harvard
University, has lived more than one
year on 15 cents a day, and likes it.
In fact, Thompson began his singular
diet from choice, and keeps it up for
the same reason. This is his bill of
fare for one week:

Twenty-one orders of potatoes
(two to an order).....\$.21
Twenty-one orders of bread (two
slices to an order).....\$.15
Total\$.36
The potatoes are baked, as being
more nourishing. The bread is scarcely
ever buttered, and the only drink in-
dulged in at meal times is a cup of hot
water, sometimes sweetened a little.

GOLF IN YOUR PARLOR.
Scheme for Which a Respectable
Clergyman Is to Get a Fortune From
the Toy Manufacturers.

(BY DIRECT WIRE TO THE TIMES)
NEW HAVEN (Conn.), Dec. 30.—
[Exclusive Dispatch.] Anson Phelps Stokes,
Jr., secretary of the Yale corporation
and the wealthiest clergyman in Amer-
ica, has gratified his fondest ambition
and won a fortune for an idea which
sprang from his own brain. He has
found time among his varied duties to
invent a toy game.

Rev. Stokes is a great lover of golf,
and plays two or three times every
week with President Hadley of Yale.
Both are so thoroughly pleased with
the game that they agreed that it
would be a fine idea to have an indoor
edition of the sport when the outdoor
season has closed. So Stokes began to
devise parlor golf. This he had pat-
ented, and now toy manufacturers offer
him a fortune for his invention.

KAISER MAY COME.
LONDON, Dec. 31.—With reference
to the order for Prince Henry of Prus-
sia to repair to Berlin, which the Nord
Deutsche Allgemeine Zeitung explains
is due to affairs of government, the
Berlin correspondent of the Daily News
mentioned a conjecture that the rum-
ors is preparatory to a visit by the
Kaiser to the United States.

THOSE DANISH ISLANDS.
COPENHAGEN, Dec. 30.—In Danish
official circles the report that Ger-
many is negotiating to purchase the
Danish Antilles is denied. "If the is-
lands are to be sold," said a high offi-
cial today, "the purchaser will be the
United States, and no other power. All
will be sold, or none."

PINGREE PARDONS DE FRANCE.
JACKSON (Mich.), Dec. 30.—S. J. de
France, a noted forger, sent to the
State's prison here from Kalamazoo
county in 1884, for eleven years for
defrauding a Kalamazoo bank of sev-
eral thousand dollars, has been par-
doned by Gov. Pingree.

BRADLEY BACK IN HIS CHURCH.

Rev. C. H. Hobart Gets a Call to Pasadena—Electric Lines.
ANNOUNCED AT OAKLAND.
REV. HOBART'S CALL.
OAKLAND, Dec. 30.—[Exclusive Dispatch.] Rev. C. H. Hobart, pastor of the First Baptist Church in Oakland, received a call today to the First Baptist Church in Pasadena. Rev. Hobart has been pastor here for the past thirteen years. Shortly after his arrival he won a place as one of the most prominent ministers of the city, which position he has since easily retained. He has always been outspoken in endeavoring to advance the morals of the community, and under his pastorate the church has prospered until it is one of the largest religious organizations in the city. He has the call to Pasadena under consideration.
The First Baptist Church at Pasadena is the second largest of the Baptist denomination in Southern California, and the field is even larger than that in which he has been laboring here. While no decision has yet been reached, the fact that his congregation here will accept is taken to mean that he will return a favorable answer to the call.
WANTED AT SAN FRANCISCO.
REV. DINSMORE'S CALL.
[BY DIRECT WIRE TO THE TIMES.]
SAN FRANCISCO, Dec. 30.—[Exclusive Dispatch.] Rev. E. F. Dinsmore of Santa Barbara has been called as the minister of the Second United Baptist Church of this city. The trustees voted him to be their choice at a recent meeting, and their action was approved at the congregational gathering today.
These official proceedings have placed on record the unanimous sentiment of the people, and it is known that Rev. Dinsmore will accept the charge. There will be no delay in his coming, and it is now planned to have the installation service next Sunday evening. Dinsmore will leave Santa Barbara after a pastorate of seven successful years.
MORENO SOUTHERN RAILWAY.
NOTABLE ENGINEERING FEAT.
[BY DIRECT WIRE TO THE TIMES.]
SOLOMONVILLE (ARIZ.), Dec. 30.—[Exclusive Dispatch.] The Moreno Southern Railway has been completed from Guthrie to Morenci, a distance of twenty-four miles, and will be ready for business January 1. The construction of the narrow-gauge road is one of the most notable engineering feats of the west. An instance is the overcoming of a grade of 1320 feet with a direct line of less than seven miles. There are two tunnels and five complete loops, four of the latter being in the canyon, within a distance of two miles. By one loop a gain of 100 feet is made in elevation.
Several of the bridges are remarkable; that above the Gila being 102 feet above the river bed. In places the walls of masonry had to be built up to hold the railroad on the edge of cliffs. As far as the heavy mountain work is concerned, the line has been made suitable for broadening if necessary.
ATTEMPTED TO ESCAPE.
TRAIN ROBBER BURTS' BREAK.
[BY DIRECT WIRE TO THE TIMES.]
YUMA (ARIZ.), Dec. 30.—[Exclusive Dispatch.] The latest draft of felons in the territorial penitentiary at this point completed six from Cochise county, including Sid Page, a murderer, and Matt Burts, the notorious train robber. They were in charge of Dell Lewis, the newly-elected sheriff of Cochise county, and three guards.
At the Yuma depot, Burts made a desperate attempt to gain liberty. The prisoners were given a meal at the lunch counter, before being taken to their new place of residence. Suddenly Burts, though ironed by one wrist to Page, seized Gunter Richy and attempted to escape. He was quickly overpowered by the guards, and Page succeeded in securing his revolver. Richy managed to hold his own in the scuffle till Lewis, who is a very giant, came to the rescue, and pulled Burts away. Page had been kept quiet under the muzzle of the revolver of another guard.
LOST ON THE DESERT.
W. L. HOPKINS OF YUMA GONE.
[BY DIRECT WIRE TO THE TIMES.]
YUMA (ARIZ.), Dec. 30.—[Exclusive Dispatch.] William L. Hopkins, aged 36, for years a highly-esteemed citizen of Yuma county, is lost on the desert. For the past year he has been in Mesquite, where he has been living, property. Ten days ago he was last seen, walking toward the place grounds, about a mile from his home. The next morning, finding him still absent, a party of friends made search for him. His trail was found, leading toward the

hills, but was lost in the rocks, and no trace of the wanderer could be found beyond.
It is presumed that darkness overtook Hopkins while he was distant from camp, that he became bewildered on the featureless plain, and walked away from home and safety.

TACOMA (WASH.), Dec. 30.—A system of electric roads, operated as feeders for the Northern Pacific, is one of the enterprises under consideration for the improvement of the Yakima Valley, in case the plan is found feasible after investigation which eastern capitalists will make next month. The first steps toward its construction will be taken early in the new year.
The citizens of Yakima, who have been interested in the project, believe that about fifty miles of road could be built, paying for itself from the start. Cheap water power is available for generating electricity. B. & N. transportation facilities are especially necessary for fruit-growing and for dairymen.

THE FOREIGN ELEMENT.
[BY THE NEW ASSOCIATED PRESS-P.M.]
PEKING, Dec. 30.—The foreign communities in Peking are satisfied at the decision of the collective note and the assertion that the powers are determined to entertain no proposals for the modification of their demands. It is understood that Li Hung Chang sent a memorial to the throne, couched in very strong terms, urging complete compliance.
The Germans killed forty Chinese troops near Mancheng, northwest of Peking. They had no casualties. Among the natives a feeling of great distrust is being caused, apparently, by the high-handed action of the Germans, as the Chinese greatly resent an intention to force a serious engagement with the Chinese troops.
DR. MORRISON'S NEWS.
HE ACCUSES THE GERMANS.
[BY THE NEW ASSOCIATED PRESS-P.M.]
LONDON, Dec. 31.—[By Atlantic Cable.] Writing to the Times from Peking yesterday, Dr. Morrison says:
"The Chinese have accepted all the conditions of the joint note. They are sending formal acceptance and endeavor, and ask that negotiations should commence forthwith and that military operations cease. Li Hung Chang is much better, although greatly shaken. Five expeditions are now operating. Every report tells of increasing unrest. The policy of depriving the Chinese of all power to exercise authority is spreading broadcast, and forcing peaceful Chinese into opposition."
In a dispatch dated December 23, Dr. Morrison sends a long protest against German harshness, which, he says, is creating instead of checking disorder. He accuses the Germans of punishing the innocent and guilty indiscriminately in order to levy fines for depriving their own military forces of the right to form an excuse for continued hostile oppression.
He also accuses Count Von Waldersee of a breach of faith in the map that he gave Li Hung Chang a map defining the area of occupation in the province of Chi Li, and indicated the "strict" beyond the allies would not operate, and yet allowed the German troops to inflict severe punishment on the Chinese at Tung Chau and Yang Ching, both of which are outside the area.
Repeating his statement that the Germans are preparing for an advance to Shan Fu in the spring, and a so-fortemonging trouble in the Yang-tse Valley, Dr. Morrison says the question arises whether the British could be seized to separate the British troops from Count Von Waldersee's command.

The Mohammedan rising in the province of Kansu is spreading, and the troops of the Viceroy of the province of Hu Nan are able to hold their own against the rebels.
RUSSIA AND ARBITRATION.
[BY THE NEW ASSOCIATED PRESS-P.M.]
ST. PETERSBURG, Dec. 30.—There have been no negotiations regarding the arbitration of the China indemnities between the United States and Russia, which first proposed arbitration, and the raising of this question, the correspondence of the Associated Press understands, will not be regarded as timely until negotiations in Peking have proceeded further. It is believed, however, that Russia is still inclined to support the arbitration proposition.
TOO MANY GUARIS.
[BY THE NEW ASSOCIATED PRESS-P.M.]
NEW YORK, Dec. 31.—A special to the Herald from Washington says: "China is anxious to secure recognition of her territory shall come to an end as promptly as possible, as it is constantly harassed by bandits and is an obstacle to a peaceful adjustment of affairs."
China regards the American force constituting the American expedition guard as altogether too large. It numbers 1600 men, but Chinese diplomats maintain that a guard of 500 men, maintaining a line of 100 miles, is under the control of a force of 14,000 Chinese troops. There are now in China about 100,000 allied troops.
MERRITT D. HOFF OF PHOENIX ARRESTED.
MRS. HAMMERS' VIOLENT DEATH TO BE INVESTIGATED.
Charles Gauze and Dead Woman's Sister Also in Custody—They Maintain That She Committed Suicide for Fear of Being Abandoned.
[BY THE NEW ASSOCIATED PRESS-P.M.]
CHICAGO, Dec. 30.—Merritt D. Hoff, president of the Turnagain Arm Gold Mining Company of Phoenix, Ariz., was arrested here tonight, and is held pending an investigation by the police into the death of Mrs. Nora Hammers, who was found dead in her room today with a bullet in her brain.
Hoff, who has been acquainted with Mrs. Hammers since July, admits that he was in the room at the time of the shooting, which was done with his revolver, but he claims that the woman committed suicide. Charles Gauze, a friend of Hoff, and Mrs. Glawell, a sister of the dead woman, have also been arrested. These two maintain that the woman killed herself because she feared that Hoff, who has a wife and daughter, intended to cease his acquaintance with her.
Hoff's revolver was found in one of the dead woman's hands. Hoff claims that when Mrs. Hammers fired the fatal shot, he picked up the weapon and ran for a doctor. On the way he met Gauze and told him of the tragedy. Hoff says he gave the revolver to Gauze, who, in turn, took it back to the room where the shooting occurred and placed it in the woman's hand.
Hoff lived for eighteen years in Minneapolis, and was the station agent of the Great Northern road in that city. Mrs. Hammers is said to have come to Chicago from Boston.

Consecration.

AT Westlake Methodist Church Sunday morning L. Pitner preached on the text: "I therefore brethren by the Lord that ye present your bodies a sacrifice, holy, acceptable, which is your reasonable service," Revelation xii, 1. He said: "We may hope that in the twenty-first century Christianity will be understood than it ever has been. The coming century will reveal the Lord Jesus can be approached with simplicity that anything is in you today of

lived in the hundred years that preceded him, mixed in with our Christianity, and men have studied the various systems of theology from various points of view to varied conclusions. I want to carry this discussion over to the spiritual and see what are the implications of this consecration. Does a sinner do when he consecrates? He throws himself on the mercy of God, and pleads the promise to those who seek Him. He is eloquent as Patrick Henry. He is eloquent as the Disciples. He is eloquent as the character scarred by crime. He is eloquent as the man who has fallen down and seeks pardon from the Father in the name of Jesus Christ, on the cross.

[illegible]

There is an equity side to the doctrine of pardon, and it is only when humanity approaches the throne of grace. Man has an intense cleansing power of Christ's blood. Present your bodies as a sacrifice, holy, acceptable to God, which is your reasonable service. Here comes with this the work out your own salvation with trembling, and I will work out my will and to do of my good. When a man gives himself

Mr. PHILIP JAMES preached yesterday at the Baptist Church, corner Pico streets, from James 1:3: "What is your life?" Mr. James said:

"Life looked at us from a thousand ever-changing scenes, rattling, a boy at play, a college, and then a constant with a few interludes of piety, cathedra and a gravestone. A mysterious something imperious, impalpable to touch, presence in the human body that body a masterpiece of art."

PONY CART CAPTURED.

Two Weeping Boys Taken to the Police Station, Charged With Breaking Glass in House.

A man who looked like a farmer, leading a pony by the bridle, with two weeping boys in the pony cart, attracted attention as the procession passed Westlake Park yesterday afternoon. Several persons were interfering and trying to mollify the man, but he was obstinate.

"Oh, let the boys go!" exclaimed a lady in a seakink sack, seated in a fine carriage.

"Say old fellow! You'll get into trouble if you don't let those kids alone!" threatened a fellow in a cowboy hat.

Other philanthropists and observers asked for explanations. The capturer was willing to give them and to verbally argue all the points raised, but he would not loosen his grip on the bridle.

and an athletic young man in overalls

and jumper on horseback effectively guarded the rear.

"Cut your pony with the whip and break away from him!" suggested a gentleman on the sidewalk to the boys. For an answer the boys pointed over their shoulders to the young guardman in blue jeans. "He never would've caught us if it wasn't for him," they said.

Whereas the young man in blue grinned his acknowledgments.

The procession wended its way to the Police Station, where the boys, Charlie Brown and Gus House, aged 13 years, were booked for malicious mischief. The man who arrested them was citizen John Brown, and they were charged with breaking windows in houses in the Wilshire tract with stones and air guns. A friend deposited \$100 bail for the release of young House, but the Brown boy had to stay in jail, his father telephoning that he had broken the law held deserved to be punished. The pony got a foster.

MUSIC AND MUSICIANS.

The Singing Girl.

This city will have its first opportunity tonight to pass judgment upon the Allen Nielsen Opera Company and the comic opera by Victor Herbert, "The Singing Girl." Miss Nielsen is well known to music lovers here through her association some years ago with the opera company at San Francisco's Tivoli Theater, and through her appearance more recently as leading soprano of the Bostonians. Since she became a star, however, she has not appeared anywhere but in the East until the past month, when she came back to California, and has just closed a most successful engagement at the Columbia Theater. San Francisco, Miss Nielsen is now on her way East again, and it is very probable that in the early spring, she, with her entire company, will cross the ocean and appear in London.

In most of the churches tonight meetings will be held for the purpose of witnessing the close of the old year and century, and greeting the new. These services will be prayer, praise services, and at some of them sermons will be delivered. The most of them will probably be at the Baptist Centennial Conference, which will open this morning at the First Baptist Church, and will include addresses of review of church work in the past, and the outlook of the new year.
